

2010 NATIONAL
IGNITE
 THE SUPERNATURAL CONFERENCE

We want you, the Senior Pastor, to join with your children's ministry leaders and team members at our *Ignite the Supernatural Conference*. We believe that it is important that the leadership of the church witness the supernatural move of God as your children's ministry leaders and volunteers come to be touched by the fire of the Holy Spirit and then become conveyors of that fire back to the children in their Jerusalem. We want to bless the Senior Pastor and their spouse and allow them to attend the conference for **FREE. This is only offered to SENIOR PASTORS and their spouse.** *This offer does not apply to walk-up registration. Mailed forms MUST be postmarked by Friday, September 17.*
